

INFORMATION FOR CTE GRANT PROJECTS LOCATED ON A STATE OR FEDERAL HIGHWAY RIGHT-OF-WAY

CONTACT LIST FOR APPROVAL OF 2109 FORM

If your proposed CTE project is located on a state or federal highway right-of-way you need an Idaho Transportation Department (ITD) Form 2109 completed to qualify for a grant. The form must be reviewed, approved and signed by ITD and submitted to Idaho Department of Lands by October 20, 2003.

To obtain such authorization from ITD, applicants should contact the person listed below for their area. It may also be helpful to meet with the contact person, in advance, for assistance with completion of the application.
